

MUHS-DISHA

MAHARASHTRA UNIVERSITY OF HEALTH SCIENCES

Department of Innovations and Systems for Healthcare Associations

VISION

To **empower** aspiring technopreneurs, innovators, start-ups & advance stage ventures **to create and scale** responsible innovations and **help build** viable ventures. **Propelling** DISHA towards becoming one of the top hot-spot for healthcare & technology-led **incubation-to-acceleration** hub.

MISSION

To make MUHS-DISHA as a center of healthcare innovation, business and value creation by serving as a bridge between innovators, MUHS ecosystem, investors and industry.

To promote & facilitate resources for individuals, students and potential innovators to solve critical healthcare problems and scaling solutions to co-create commercially viable ventures

To reimagine healthcare future where we all, together strive to elevate health and prosperity for all.

OBJECTIVES

Incubation & Acceleration: Identify potential innovators/entrepreneurs, help them create business plans, provide mentors and monitor their progress.

Mentor Network: Identifying suitable mentors and strengthening the network of mentors to support the incubates.

Investor Network: Build a network of potential investors to provide funding opportunities.

Develop and Deliver: Knowledge building activities by organizing programs in the entrepreneurship domain, training sessions, and capacity/capability building for budding entrepreneurs.

Events and Workshops: Interdisciplinary knowledge sharing workshops/events/webinars for incubates.

Partnerships: Forging relevant global partnerships with other related organizations for providing services to incubatees
